

Understanding Journalism

Автор: John Wilson

Издательство: Routledge

Never has the media been so critically regarded as at the present time. Documenting many areas of debate and dispute between journalists, the media, public organizations and politicians, Wilson identifies why conflicts will continue. Understanding Journalism covers issues that range in topic from government bias and censorship, to animals rights and obscenity. This informative work is a valuable guide to all those involved in journalism and the media. Based on the first hand experience of a journalist, it covers all areas that make journalism controversial in the eye of the general public.

"Because the book is written by an intelligent theorising practitioner, students of both practical 'journalism' and theoretical 'media studies' should find it invaluable as a reference work, a first-aid kit and a revision tool."

--Harriet Gilbert, City University

Personal Statement

Автор: <http://www.getintouni.com>

Издательство: <http://www.getintouni.com>

This book contains 60 edited sample personal statements which contains:

Successful Oxbridge edited essays that reveal the hidden secrets of an outstanding essay.

Over 60 edited personal statements covering a diverse range of subject areas.
